

Rheumatology

G. BRUCE CLEMENT, M.D.

*Board Certified in
Internal Medicine & Rheumatology*

Dr. G. Bruce Clement received his Medical Degree, Internal Medicine and Rheumatology training from the University of South Florida in Tampa. He is board certified in Internal Medicine and Rheumatology. He is a Member of the American College of Rheumatology and the Florida Society of Rheumatology. Dr. Clement is also a Founding Fellow in the American Rheumatism Association and has been at Bond Clinic since 1982.

Rheumatology is a subspecialty of internal medicine that deals with the diagnosis and treatment of arthritis and other diseases of the joints, muscles and bones. Rheumatologists treat more than 100 different diseases, including all forms of arthritis, certain autoimmune diseases, musculoskeletal pain disorders and osteoporosis.

The Bond Clinic Rheumatology Department provides all the latest therapies, including biotechnology, available in the field of Rheumatology in a compassionate environment.
